THIS year’s Youth Mentor Summit will include a special keynote speech from a high profile youth mentor, two workshops and a panel discussion from a group of mentors from a range of different mentoring agencies. The Summit will leave you feeling motivated, energised and equip with the skills you need to be a great youth mentor. Topics include “The developing mentor” and “Working with disadvantaged young people and young people at risk”.

These workshops are for any mentors looking to refresh their skills or learn some new ones and also prospective mentors.
